

HUSK følgende regler for deltagelse i avls-/opdrætsklasser:

En **avlsklasse** består af et forældredyr med minimum tre og maksimum fem stk. afkom (første generation: sønner/døtre).

En **opdrætsklasse** består af minimum tre og maksimum fem eksemplarer af samme race og racevariant, uanset køn, opdrættet af samme opdrætter (samme kennelnavn).

For racer, hvor der stilles prøvekrav for deltagelse i avls-/opdrætsklasse gælder, at mindst to hunde i klassen skal have opnået den krævede prøve.

Hundene skal være tilmeldt udstillingen i enten champion-, junior-, mellem-, åben-, brugshunde- eller veteranklasse. (Dog kan avlshunden i en avlsklasse være anmeldt udenfor bedømmelse). Hvalpe samt hunde, der har fået tildelt Disqualified eller Cannot Be Judged, kan ikke deltage.

PLEASE REMEMBER the following rules regarding participation in progeny- or breeder's group:

*A **progeny group** consists of a sire or a dam with minimum three and maximum five of his/her progeny (first generation: sons/daughters).*

*A **breeder's group** consists of minimum three and maximum five exhibits of the same breed and variety, without distinction of sex, bred by the same person (same kennel name), even if they are not his property.*

For breeds that require a trial to take part in the progeny- or breeder's group, at least two of the dogs in the group must have obtained the required trial.

All the dogs must be entered for the show in either champion-, junior-, intermediate-, open-, working- or veteran class. (However the sire/dam in the progeny class can be entered outside judgment).

Puppies as well as dogs that have obtained Disqualified or Cannot Be Judged cannot participate.
